DEPARTMENT OF CIVIL ENGINEERING

Feedback Action taken report of 2019-2020

Time: - 11.30 AM to 12.30 PM

Venue:- CIVIL HOD Room

Members of Department Academic committee: 1. Dr. M A QADEER, HOD. 
2. Dr. MOSES ARANGANATHAN, Prof. 
3. Dr. V. SEKARAN, Prof. 

Agenda: Discussing the Academic feedback from for all stakeholders and recommending/suggesting best practices/value addition for better teaching learning process.

The feedback collected and necessary action taken from for all the stakeholders:

1. Students 2. Teachers 3. Employers 4. Parents 5. Alumni

Stakeholder	Feedback	Action Taken
Students	1. Students requested to add the following subject in the academic curriculum. 1. Earth quake resistant design 2. Students requested for workshops.	Accepted/Followed Requested JNTUH to consider the outcome of feedback and incorporating at appropriate level as deemed fit. Letter submitted to JNTUH on 15-04-2019. Workshop is planned and organized on: 1. Research methodology. 2. Application on GIS.
Teachers	1. Faculty members are requested for Faculty Development Program. 2. Existing skilled faculty members may be used for add on courses.	Accepted. FDPs conducted on: ➤ Construction Management Accepted. Conducted Add on Programs from Experienced faculty members.

ESTD 1995

Date: 15/04/2019
Place: Hyderabad

To
The Registrar,
Jawaharlal Nehru Technological University,
Kukatpally,
HYDERABAD-500085.

Sub: Feedback taken from various stakeholders and requesting JNTUH to consider the outcome of feedback and incorporating at appropriate level as deemed fit - Reg.

Respected Sir,

Shadan College of Engineering and Technology has collected feedback on curriculum from various stakeholders (faculty, students, employers and alumni). The feedback on curriculum has been collected, analyzed and necessary actions have been taken at the institute level.

As an affiliated institution with JNTUH, our institute is bringing this outcome to the notice of the university for kind perusal and consideration to take necessary action. The University may incorporate at an appropriate level as deemed fit.

The SCET is happy to submit the following information to strengthen the curriculum and syllabi to meet Industry 4.0 / Knowledge 4.0, strengthening the human and physical infrastructure to meet the industry 4.0 is vital at this time. For that the curriculum and syllabi may incorporate the following concepts / recent technologies

1. Artificial intelligence.
2. Internet of things (IOT).
3. PRO -E
4. Earth quake resistant design

These technologies and new subjects on Industry 4.0 would certainly enable majority of the engineering graduates foremployment opportunities and to build their career further.

I hope you will consider our request and take initiative to introduce the above mentioned technologies and courses as part of JNTUH curriculum as deemed fit.

DESPATCHER
J.N.T.U.H
Kukatpally, Hyd-85.

Thanking you,

Yours faithfully,

04/04/2018

Date: Place: Hyderabad

To,
The Registrar,
Jawaharlal Nehru Technological University,
Kukatpally,
HYDERABAD-500085

Sir,
Sub: To incorporate latest technologies/New courses as part of JNTUH Curriculum for the academic year-2018-19 for enhancement of employment opportunities for students-Reg.

I would like to bring the following for your kind perusal and favorable action through Board of Studies concerned.

This is to bring your kind attention that the engineering graduates are facing challenges to get employment opportunity. The institution and university are taking more constructive efforts to uplift the student community in all the ways. In addition to that, if the University is introducing/considering the following valid input collected from Teachers, Students, Employers, and Alumni on curriculum that will be highly beneficial to all the stakeholders for further improvement.

1. Microcontrollers and programmable DSP.
2. Research Methodology.
3. Communication Buses.
4. Gas Dynamics
5. Intellectual Property Rights
6. Advance Concrete Technology

These technologies and new subjects on industry 4.0 would certainly enable majority of the engineering graduates for employment opportunities and to build their career further. Training support can be taken from the industries.

I hope you would consider our request and take initiative in introducing the above mentioned technologies and courses as part of JNTUH curriculum by forwarding to the BOS, Academics, JNTUH, Hyderabad.

Thanking you.

Yours faithfully,

DESPATCHAR
J.N.T.U.H

Place: Hyderabad

To,
The Registrar,
Jawaharlal Nehru Technological University,
Kukatpally,
HYDERABAD-500085

Sir,

Sub: To incorporate latest technologies/New courses as part of JNTUH Curriculum for the academic year-2017-18 for enhancement of employment opportunities for students-Reg.

I would like to bring the following for your kind perusal and favorable action through Board of Studies concerned.

This is to bring your kind attention that the engineering graduates are facing challenges to get employment opportunity. The institution and university are taking more constructive efforts to uplift the student community in all the ways. In addition to that, if the University is introducing/considering the following valid input collected from Teachers, Students, Employers, and Alumni on curriculum that will be highly beneficial to all the stakeholders for further improvement.

1. **Embedded Linux**
2. **Computer Vision**
3. **Advance Foundation Engineering**

These technologies and new subjects on industry 4.0 would certainly enable majority of the engineering graduates for employment opportunities and to build their career further. Training support can be taken from the industries.

I hope you would consider our request and take initiative in introducing the above mentioned technologies and courses as part of JNTUH curriculum by forwarding to BOS, Academics, JNTUH, Hyderabad.

Also,

We are requesting your good self to prepare the academic environment to meet the demand of industry.

Thanking you.

Yours faithfully,

PRINCIPAL

To,
The Registrar,
Jawaharlal Nehru Technological University,
Kukatpally,
HYDERABAD-500085

Sir,

Sub: SHADAN COLLEGE OF ENGINEERING AND TECHNOLOGY request to incorporate latest technologies as part of JNTUH curriculum for the academic year 2016-17 for enhancement of employment opportunities for students-Reg.

We would like to bring the following for your kind perusal for favorable action.

The engineering students are unable to get suitable employment after the completion of their graduation. Though lot of efforts has been taken up by the colleges and the university, all our efforts go in vain. The efforts of all stakeholders like institution, university, industry, parents would bring fruitful results if the university can take initiative of introducing the following technologies which are being used widely in the industry.

1. Professional Communication in English.
2. VLSI and E-CAD lab.

These technologies would certainly enable majority of the engineering graduates for employment. Training support can be taken from the industry.

I hope that you would consider our request and take initiative in introducing the above mentioned technologies as part of JNTUH curriculum.

Thanking you sir,

Yours faithfully,

C. Jayadev
