ABOUT THE COLLEGE

Shadan College of Engineering & Technology is one of the premier Engineering College Founded in 1995 by Shadan Educational society. The institution, ever since its foundation is in the constant pursuit of keeping high the self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity. The College offers 6 Under Graduate (B. Tech) courses in CSE, ECE, EEE, MECH, Civil and IT branches. The College also offers 7 Post Graduate (M. Tech) Programme in C.S.E, C.S., C.N., CN & IS, V.L.S.I, Embedded Systems, CAD/CAM and M.B.A. with a total intake of 792. College has a responsibility of helping the faculty to upgrade concepts in line with the developments worldwide and also enhance teaching methodologies. The subjects which require immediate attention are identified and it is proposed to take up summer course in the prominent subjects identified.

ABOUT THE DEPARTMENT

The department has kept pace with the rapid development of computer aided methods of design and manufacture with state of the art CAD/CAM facilities.

ABOUT THE PROGRAMME

A Guest Lecture was scheduled on 25 July, 2019 at Seminar hall on **“Design Procedure & Quality”** by Dr V.V.Satyanarayana, Professor, VJIT Moimabad, Hyderabad. Looking at the recent advancement in technology in Design

1. To provide basic understanding, advantages and applications of Design
2. To learn how to make a good Design with good quality.

Assalamualaikum sir,

We, Department of EEE have successfully completed the Webinar on **career opportunities in Electrical and Electronics Engineering**

I have given the welcome address and thank you speech

Shyamnath sir has explained in detail about why EEE branch and detail about why EEE branch and why EEE in SCET

Md khaja ali shoieb also joined us for the last 20 mins and shared his experience regarding career in EEE and as well as his experience as a former student and former staff of EEE DEPARTMENT at SCET

We had **57** views sir during the one hour webinar

We also have forwarded the youtube link of the webinar to almost **450 intermediate students and parents who or whose children are going to pursue B.Tech** (we got these no.'s from a confidential source) so that they can watch the webinar according to their convenience.

(We are already pursuing these 450 candidates from 27th July 2020 onwards for joining EEE in SCET
We prepared google forms and write up and forwarded to them)

Overall the webinar was a very good success sir

I have attached the youtube link for the webinar sir
