Memorandum of Understanding

This Memorandum of Understanding is made and executed on 20th of February 2015.

BY AND BETWEEN

1. Shadan Institute of Medical Sciences, Teaching Hospital & Research Centre, established by Shadan Educational Society, Affiliated to K.N.R. University of Health Sciences, Warangal, Telangana State, Recognized by Government of India, Ministry of Health/MCI/ vide No. MCI-34(41) (UG) / 2016-MED, /108284, there in after referred to as **SIMS** which expression shall, unless repugnant to inconsistent with the context or meaning thereof, be deemed to include its successors and permitted assigns; of the other part.

AND

Shadan College of Engineering and Technology, Peerancheru, established by Shadan Educational Society, Himayat Sagar Road, affiliated to Jawaharlal Nehru Technological University, Hyderabad, there in after referred to as **SCET** and shall hereinafter be referred to individually as a "**Party**" and collectively as the "Parties as the case may be.

Shadan College of Engineering & Technology College Code: 08 Hyderabad-86, T.S. Peeran Cheru

WHEREAS, SIMS **owns** Sewage Treatment plant (STP) to promote & facilitate recycling activities.

WHEREAS "Shadan College of Engineering and Technology wishes on-board with Shadan Institute of Medical Sciences(**SIMS**) to enable the responsible disposal of waste water recyclable for the period of 10 years from 20th of February 2015 to 20th of February 2025.

NOW THEREFORE, in consideration of the aforesaid and the mutual promises between the Parties under this Agreement, the Parties hereto agree as follows:

1. **Now This MOU Witnessed as Under**

This is an agreement for a synergic alliance between Shadan College of Engineering and Technology (SCET) for Sewage Treatment Plant (STP) in SIMS. Organic wastes, suspended solids and micro-organisms are the primary source of water pollution and after purification the water is efficiently used for developing environment-friendly technologies for sustainable implementation and for gardening and greenery development in the campus.

2. Scope:

- Sewage Treatment is the process of removing contaminants from waste water and includes physical, chemical and biological process to remove these contaminants and produce environmentally safe treated waste water and quality of waste water is improved and it can be used for gardening for growing plants and trees.
- Sewage Treatment Plant protects public life and care our environment for our health (here in after referred as "STP') to Shadan College of Engineering and Technology for responsible disposal of recycling of waste water.

Pickup request for waste water is properly treated by Shadan College of Engineering and Technology.

- Sewage is the waste water generated from toilets, canteens and raw or treated chemistry lab waste water discharged and it is sometimes rain water and urban runoff.
- In order to reduce substantial expenditure on long distance conveyance of sewage as well as treated water for recycling, decentralized treatment of sewage is advisable.
- **Shadan College of Engineering and Technology** is required to provide necessary entry and exit permissions included, but not restricted to gate-pass, other access formalities to use its space for loading of recyclable and man power movement during the time of pickup.

The Project shall be valid for 10 years as per mutual agreement of **Shadan College of Engineering and Technology (SCET) & Shadan Institute of Medical Sciences (SIMS).**

INSTITUTE OF MEDICAL SCIENCES (SIMS) TEACHING HOSPITAL & RESEARCH CENTRE HYDERABAD-500 014 A.P. INDIA

Shadan College of Engineering & Technology College Code: 08 Hyderabad-86. Peeran Cheru

3. Indemnity:

Shadan College of Engineering and Technology shall be solely responsible for liquid wastes originating from wash basins, bathrooms, urinals and liquid wastes originating from the industrial processes in our premises.

Sewage Treatment Plant (STP) will take an initiative to conduct awareness drives with students in the College. Both Parties further agree to indemnify and keep indemnified each other against all actual loss and damage which both the Parties may suffer as a result of any breach of this agreement by the either of the Parties.

Term:

This Agreement shall come into force from the date of signing and remain valid for 10 years as per MoU, including documentation whichever unless terminated by the Parties.

4. Termination

This Agreement shall automatically terminate if

1. Parties may terminate the Agreement after giving a notice in writing of thirty (30) days to the other Party of its intention to terminate the Agreement.
2. In the event of any lapses in execution by any party, the other party shall have the right to terminate this agreement by giving a 30 days notice to the defaulting party.

5. Amendment:

Any Amendment to this Agreement shall be valid and binding on the Parties only if it is made in writing and signed duly by authorized representatives of each Party.

6. Notices

All notices and other communication shall be sent to the address of each Party set forth at the beginning of this agreement.

Resolution of Disputes:

a) Any dispute or difference between the Parties out of or in connection with this Agreement, including the validity thereof shall be resolved at first instance amicably through negotiations or discussions between the Parties.

b) If the dispute remains unresolved, then the same shall be taken up by the Heads of both the Parties and their duly authorized representatives, who shall strive to resolve the dispute amicably.

7. Governing Law and Jurisdiction

This Agreement shall be governed and constructed in accordance with the laws of India. Except as provided otherwise, the courts in Hyderabad shall have exclusive jurisdiction over any matter arising out of this Agreement.

Shadan College of Engineering & Technology College Code: 08 Hyderabad-80, T.S. Peeran Cheru

8. Survival of Terms

The clause on Indemnity, Dispute Resolution, Governing Law and Jurisdiction will survive the termination of this Agreement.

IN WITNESS WHEREOF, the Parties agree and acknowledge to the aforesaid terms and conditions of the Agreement.
