## ABOUT THE COLLEGE

Shadan College of Engineering & Technology is one of the premier Engineering College Founded in 1995 by Shadan Educational society. The institution, ever since its foundation is in the constant pursuit of keeping high the self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories or infrastructure facilities. The campus is the abode of learning, learning and intellectual pursuits and there is all round academic activity. The College offers 6 Under Graduate (B. Tech) courses in CSE, ECE, EEE, MECH, Civil and IT branches. The College also offers 7 Post Graduate (M. Tech) Programme in C.S.E, C.S., C.N., CN & IS, V.L.S.I, Embedded Systems, CAD/CAM and M.B.A. with a total intake of 792.College has a responsibility of helping the faculty to upgrade concepts in line with the developments worldwide and also enhance teaching methodologies. The subjects which require immediate attention are identified and it is proposed to take up summer course in the prerequisite subjects identified.

## ABOUT THE DEPARTMENT

The department has kept pace with the rapid development of computer aided methods of design and manufacture with state of the art CAD/CAM facilities.

## ABOUT THE PROGRAMME

The workshop was scheduled on 24 July, 2018 at Seminar hall on 3D modeling software Professional by Mr J.Madurai, CEO CADD CRAFT TECHNOLOGIES, TAMILNADU. Looking at the recent advancement in technology 3 D design and Manufacturing will be the future of Engineering. During this one day workshop students were having a demonstration on a part and Assembly making and having good hands on practice as well with the following objectives;

1. To provide basic understanding, advantages
2. To learn how to make Modeling of various 3 D Components and hands on practice for the same.
